

On Tuesday, 31st October, our school celebrated Halloween once more

On Tuesday, 31st October, our school celebrated Halloween once more. This time, we decided to organize a Halloween Contest to make this day even more spooky and fun! The students were challenged to decorate Halloween hats or to reuse old shoes and turn them into spooky shoes. The results were, as you can see in the pictures, amazing! The students certainly had lots of fun decorating old shoes and hats and our library became the most haunted place in our school!

English Plus students (9° D) and teacher Marta Costa
